Certificate of Analysis

Product Name:	CAUSTIC SODA PEARLS		
Chemical Formula:	NaOH	**Molecular Weight:**	40
CAS Number:	1310-73-2	**Lot No.:**	TN202601L
Quantity:	54 tons	**Issued Date:**	202601
Product Description:	White Pearls	**Production Date**	202601
Exipiry Date	202801	**Grade:**	Tech

Items	Standard	Test Results	Unit
Purity:	99.0 Min	99.14	%
Na_2CO_3:	0.8 Max	0.55	%
NaCl:	0.1 Max	0.053	%
Fe	50Max	16	ppm

Packaging: In 25kgs bags without pallet.

Safety and Handling: See Material Safety Data Sheet.

Application: Used as a raw material in the manufacture of soaps, detergents, textiles and paper. And likewise, in water softening and treatment, drilling mud in oil field, refining petroleum products, and washing beer and soft drink bottles. In food and drug industry, it is used as acidity regulator, alkali, impregnant's pigment.
